Programme of the preparatory visit no. 1 carried out as part of the "Stay eco-aware" project. Enhancing the environmental awareness of primary school students, with particular emphasis on pupils with special educational needs.

Project number: 2022-2-PL01-KA122-SCH-000095670

The project is implemented as part of the *project Foreign Mobility of Educational and School Staff* financed by the European Funds for Social Development programme.

Sending Institution: Szkoła Podstawowa nr 38 im. Tadeusza Kościuszki w Zespole Szkół Ogólnokształcących nr 5 z Oddziałami Integracyjnymi i Specjalnymi w Sosnowcu

Host Institution: Scoala Gimnaziala Nr. 24 Timisoara, Romania

The primary objective of the preparatory visit is to improve the quality of job shadowing activities for people with fewer opportunities, including:

1. starting cooperation with the partner organization in a stationary mode, i.e. getting to know the partner school, the management staff, the person responsible for cooperation, signing an agreement between the institutions, discussing the formal requirements for the implementation of job shadowing learning mobility,
2. detailed joint development of a schedule of activities as part of the so-called job shadowing, with particular emphasis on the participation of participants in the so-called Eco Week organized by the host institution,
3. mutual partnership project "Amazing Nature Snapshot – Season in my city" – analyzing goals, activities and expected outcomes within the partnership project,
4. recognition of accommodation and catering facilities and the quality of services offered, establishing cooperation with local cultural institutions in order to develop cultural activities,
